

# Independent school open days

## North London, Spring Term 2014

Most schools have open days this term, whilst others like to arrange individual tours. We recommend parents visit schools and register at least 2 years prior to the intended year date entry. Wetherby School in W1 (boys 7-13yrs) is the only prep school that still requires registration at birth. Pembridge Hall, W2 (girls 4-11yrs) also requires registration prior to the 1st birthday. NB. Radley School, nr Oxford (boys 13-18yrs) is the only senior boarding school that requires registration at birth and places are allocated on a first-come, first-served basis.

What do we mean by 4+ or 7+? These age groups are the main intake years (ie 7+ means children will start in the year they are 7 turning 8). The equivalent would be Yr3 - or Juniors - in the state sector. Some open days are only relevant for specific year groups. There may be space for children in other year groups so it is always worth asking.
